

***Want to learn more about
your family history?***

WNYGS Next Generation – a Special Interest Group (SIG)

- Created for young adults
- A place for a new generation of genealogists to collaborate
- A time to spend with others who share your interests

Sound Interesting?

WNYGS – Special Interest Group (SIG) for Young Genealogists

Ideas for Upcoming Meetings

- February** Focus: Free resources and how to use them
Beginning Course & Family Search
- April** Focus: Digital Media and Family Tree Maker
- June** Focus: Meet-up Month with an activity related to genealogy
- August** Focus: What to look for after birth, marriage & death records?
- October** Focus: Genetic Genealogy -- How has it solved True Crime Cases?
Possibly a Haunted Cemetery Tour
- December** Focus: How to prepare for a trip to a Courthouse, Library, etc.
Or another In-person event, weather permitting

Note: Considering Family Tree Maker workshops during off months!
